

Travis Central Appraisal District

General Policy & Policies for Public Access

The appraisal district board of directors (BOD) hires the chief appraiser, adopts the annual budget, appoints the Chairperson and Secretary for the Travis County Appraisal Review Board (ARB) and ensures that the district follows policies and procedures required by law. The directors have no authority to set values or make decisions affecting the appraisal records. The chief appraiser carries out the appraisal district's legal duties, hires the staff, makes the appraisal and operates the appraisal office. The Travis County ARB is appointed by the Administrative District Judge of Travis County. The ARB hears property owners' protests regarding values and other related matters. The taxpayer liaison office handles problems outside the jurisdiction of the appraisal review board and aids taxpayers with procedural matters.

The person must indicate that he or she desires to address the board and is unable to provide an interpreter.

Policies for Resolving Complaints

The taxpayer liaison will address and consider written complaints about the policies and procedures of the appraisal district, appraisal review board, the board of directors, and any other matter within his or her jurisdiction. Complaints addressing any matter that could be grounds for a challenge, protest, or correction motion before the appraisal review board as set out in the Tax Code, or matters which have pending lawsuits will not be addressed. At each regularly scheduled meeting, the taxpayer liaison officer shall report to the board on the nature and status of resolution of all complaints filed. Board deliberations concerning complaints must comply with the applicable provisions of the Texas Open Meeting Act. The board shall take the actions it may deem reasonable and appropriate to resolve a complaint. The board of directors has no authority to overrule the chief appraiser or appraisal review board's decision on a value, a correction, or a protest. Until final disposition of each complaint and unless doing so would jeopardize an undercover investigation, the taxpayer liaison shall notify the parties to the complaint at least quarterly of the status of the complaint.
